10th February 2025

Dear Parent/Carer

**GRADE BOOSTING DAY
MONDAY 17TH FEBRUARY 2025 – 10.00AM TO 2.30PM**

As part of our ongoing programme of grade boosting sessions for Year 11 and Year 13, the Art department will be opening for a day during February half term. The session will run from 10.00am to 2.30pm on Monday 17th February. The day will be staffed by Mrs K Short.

The day will be non-uniform although as most students will be painting, we would advise caution with valuable clothing. Students will have access to toilets within the art block and will need a packed lunch as catering will not be available in school.

Students will not have access to the wider school environment and must stay in the Art department for the duration of the day.

This is an important opportunity for Year 11 and Year 13 students and we very much hope we can count on your support. If this proves to be popular and useful for our students, I will plan to repeat this event again in the Easter half term.

Please complete the consent form and return to the Art department as quickly as possible.

Yours sincerely

Mrs K Short
Head of Create Department
