

Our Ref: LTO/MBE

24th September 2024

Dear Parents/Carers

ENRICHMENT ACTIVITIES

At Dinnington High School, we embrace personal development and the wider curriculum, and believe they are just as important as academic performance in allowing our pupils to develop cultural capital and succeed in later life. Many studies have shown that pupils who participate in enrichment activities have greater self-esteem and resilience, supporting their academic achievement. Participation in enrichment also gives pupils the opportunity to make new friends and develop employability skills and confidence for later life.

We are very proud to offer a large variety of enrichment activities and clubs for all pupils to get involved, from music clubs, sporting clubs, gaming and many more! Activities will begin week commencing **30th September 2024**, running at lunchtime and after school. After school activities will typically last for one hour (**2.45pm – 3.45pm**).

Pupils will be asked to sign up for enrichment activities during form time this week (w/c 23rd September 2024).

Please see below the Dinnington High School enrichment timetable for the 2024/25 academic year.
