18th May 2026

Dear Parent/Carer

**STEM CAREERS FAIR – ANSTON GREENLANDS PRIMARY SCHOOL
THURSDAY 11TH JUNE 2026 – 1.45PM**

Anston Greenlands Primary School is hosting a STEM Careers Fair on Thursday 11th June from 1.45pm for its primary students. They have invited our school to deliver some workshops to show their students what Science looks like at secondary school and sixth form.

Your child has been asked to represent our school and support in a workshop that will link to one of their courses at Sixth Form, ie; A level Biology, Chemistry, Physics or BTEC Medical Science.

Due to the timing of the event, students will travel with staff to Anston Greenlands by school minibus. At the end of the event, they can either leave directly from Anston Greenlands or return back to Dinnington High School by minibus if more convenient.

If your child would like to come and help out, please complete the consent form on ParentPay by Wednesday 10th June.

If you have any queries, please do not hesitate to contact me via email: s.ashall@nclt.ac.uk

Yours sincerely

Mr S Ashall
Science Department
