3rd March 2026

Dear New Students

WELCOME TO DINNINGTON HIGH SCHOOL.

We are absolutely delighted that you will soon be joining the community at **Dinnington High School**, and we are excited to begin this journey with you. Starting secondary school is an important milestone, filled with new opportunities, challenges and experiences. We are proud to welcome you and look forward to supporting you as you grow in confidence, develop new skills and achieve your full potential.

At Dinnington High School, our learning community is guided by three core values: **Respect, Responsibility and Resilience**. These principles shape the positive culture of our school and help every student thrive both academically and personally.

As you continue through this year and prepare for your SATs, it is natural to feel a little nervous at times. However, with hard work, organisation and a positive attitude, we are confident that you will achieve your very best. We are already looking forward to seeing the many talents, ideas and achievements that you will bring to our school.

In the coming months, we will also be hosting a number of **transition events** designed to help you become familiar with the school, meet staff and students and begin to feel part of the Dinnington community. Please look out for further information about these events in the near future.

Our teachers and support staff are committed to helping you succeed and will be there to guide and encourage you every step of the way. We are truly excited to welcome you and look forward to watching you grow, develop and flourish during your time at Dinnington High School.

Yours sincerely

Mr L Towers
Assistant Headteacher - Transition
